[How We Evaluated the Best Online Casino Apps](#)

How We Evaluated the Best Online Casino Apps

Mobile Gaming

It's important that you only have the best mobile gaming experience when playing [real money casino games](#)

. We made sure every casino app on our list has mobile games that play as well as they look... and plenty of them.

Of course, the rest of the casino should look and feel good on mobile, so we made sure to test all of its features on our Android and iOS devices. Even better, none of our top picks require you to download software before playing — you simply need to access their web-based casino app through your mobile browser.

Bonuses and Promotions

All of the real money online casinos for mobile devices on our list are chock full of [massive welcome bonuses](#), reload offers, and free spins that you can claim straight via your Android or iOS mobile device.

Overall Reliability

We have also made sure that every casino on our list is fully licensed and regulated, so you don't have to worry about whether or not the outcome is rigged against you. Every casino app you find here is 100% transparent and fair.

Guide to Using Real Money Casino Apps **Are there casino apps that pay real money?**

Yes, there are a lot of casino apps that pay real money. We recommend any of the mobile online casinos outlined in this article as we've found them to offer fair winning odds and competitive [casino bonuses](#), in addition to a great variety of mobile games for real money. [Red Dog Casino](#) is our top pick.

What are the best online casino apps to win real money?

Some of the best casino apps that pay out real money include:

Do casino apps let you win at first?

No. Casino apps do not let you win at first. This is a common misconception gamblers have to justify a run of poor luck. Modern iOS and Android casino apps using games from reputable providers offer consistent odds no matter whether you're new or not.

We feel that [Red Dog Casino](#) is the best online casino app available right now. With tons of bonus codes, a website that looks amazing on mobile, and a great selection of live dealer and online casino games, it suits us just perfectly.

Red Dog is also one of the best free casino apps, as it allows you to give each game a test drive before you bet real money.

Comparison of the Top 5 Casino Apps

[Red Dog](#) : This little casino is no underdog. Red Dog claimed our top slot thanks to a fantastic array of deposit bonus codes, a solid selection of mobile-ready RTG slots, and amazing customer support. Remember to use the “ADORABLE” code to get a 240% match bonus plus 40 free spins when you sign-up at Red Dog.

[Ignition](#) : The perfect pick for the card player on the go, Ignition Casino offers what is hands-down the best poker app we’ve found anywhere. They also sport a robust variety of slot and table games that only serve to complement the excellent poker. Sign up today to claim your 100% match bonuses for both casino games and online poker or 150% for crypto deposits.

[Slots.lv](#) : An easy pick for our top five thanks to a massive collection of progressive jackpot games as well as a few exciting Hot Drop Jackpot slots (one of our favorite ways to play, if we’re being honest). Sign up to get a 200% match on your first deposit of up to \$1,000.

[SuperSlots](#) : While Super Slots has a great selection of slots with some very unusual themes, we had to put them on our list due to the sheer wealth of mobile blackjack options. With tons of online blackjack and two live dealer casinos, there are just so many ways to play. Use the “SS250” promo code to get a 250% match up to \$1,000 when you’re ready to deposit.

[BitStarz](#) : Last but certainly not least is our pick for the best crypto casino app. BitStarz brings the heat with over 4,000 online casino games and a solid crypto welcome bonus. Sign up today and get a 125% match bonus of up to 1 BTC plus 180 free spins on some great slots.

How to Get Started with Real Money Casino Apps

best for you.

To recap, [Red Dog Casino](#) topped our list of best online casino apps thanks to its massive selection of welcome bonuses, great library of live and online casino games, and sterling reputation.

But any one of these mobile casinos would do in a pinch, and they all do something extremely well... so maybe it's best to sign up for a few of them.

Just remember that casino apps should be fun, and you should always gamble responsibly.
