**American casino and hotel magnate Caesars Entertainment has announced that Baltimore-headquartered Whiting-Turner will be general contractor for the \$500m Caesars Virginia resort in the city of Danville, Virginia.**

Caesars Virginia will have a casino with 1,400 slot machines and table games, a World Series of Poker Room, 500-room hotel with spa, pool and gym, 40,000 sq ft of meeting and convention space and a 2,500 capacity venue.

~~When the Entertainment Commission first heard the proposal for a \$500m casino in Virginia, it was a surprise. The commission had been told that the state was not interested in a casino. However, the commission has now given the go-ahead for the \$500m casino planned by Caesars in Virginia.~~
